25X1 1. [REDACTED] In response to a letter from Senator George E. McGovern, requesting a picture of Mr. McCone and some biographical information about him, I left with the Senator's office a picture and the Agency pamphlet.

25X1 2. [REDACTED] Talked with Senator Milton Young who returned to Washington last night after his around the world trip.

[REDACTED] Arrangements were made for Mr. Helms and Mr. Warner to meet with him at 10:30 on Monday, 14 December. The Senator had indicated he would be happy to meet with Mr. McCone. Mr. McCone was advised of the above and subsequently telephoned Senator Young and may try to see him next week.
